

RAYAN GROUP

jabalrayan.com

About Us

We have embarked on our journey with a vision of creating value in the consumer goods sector through establishing a sustainable network of wholesalers, distributors and retailers within the Middle East and Africa region(MEA). Along with our downstream supply chain, we deliver a wide range of globally appreciated brands in food and non food Consumer goods.

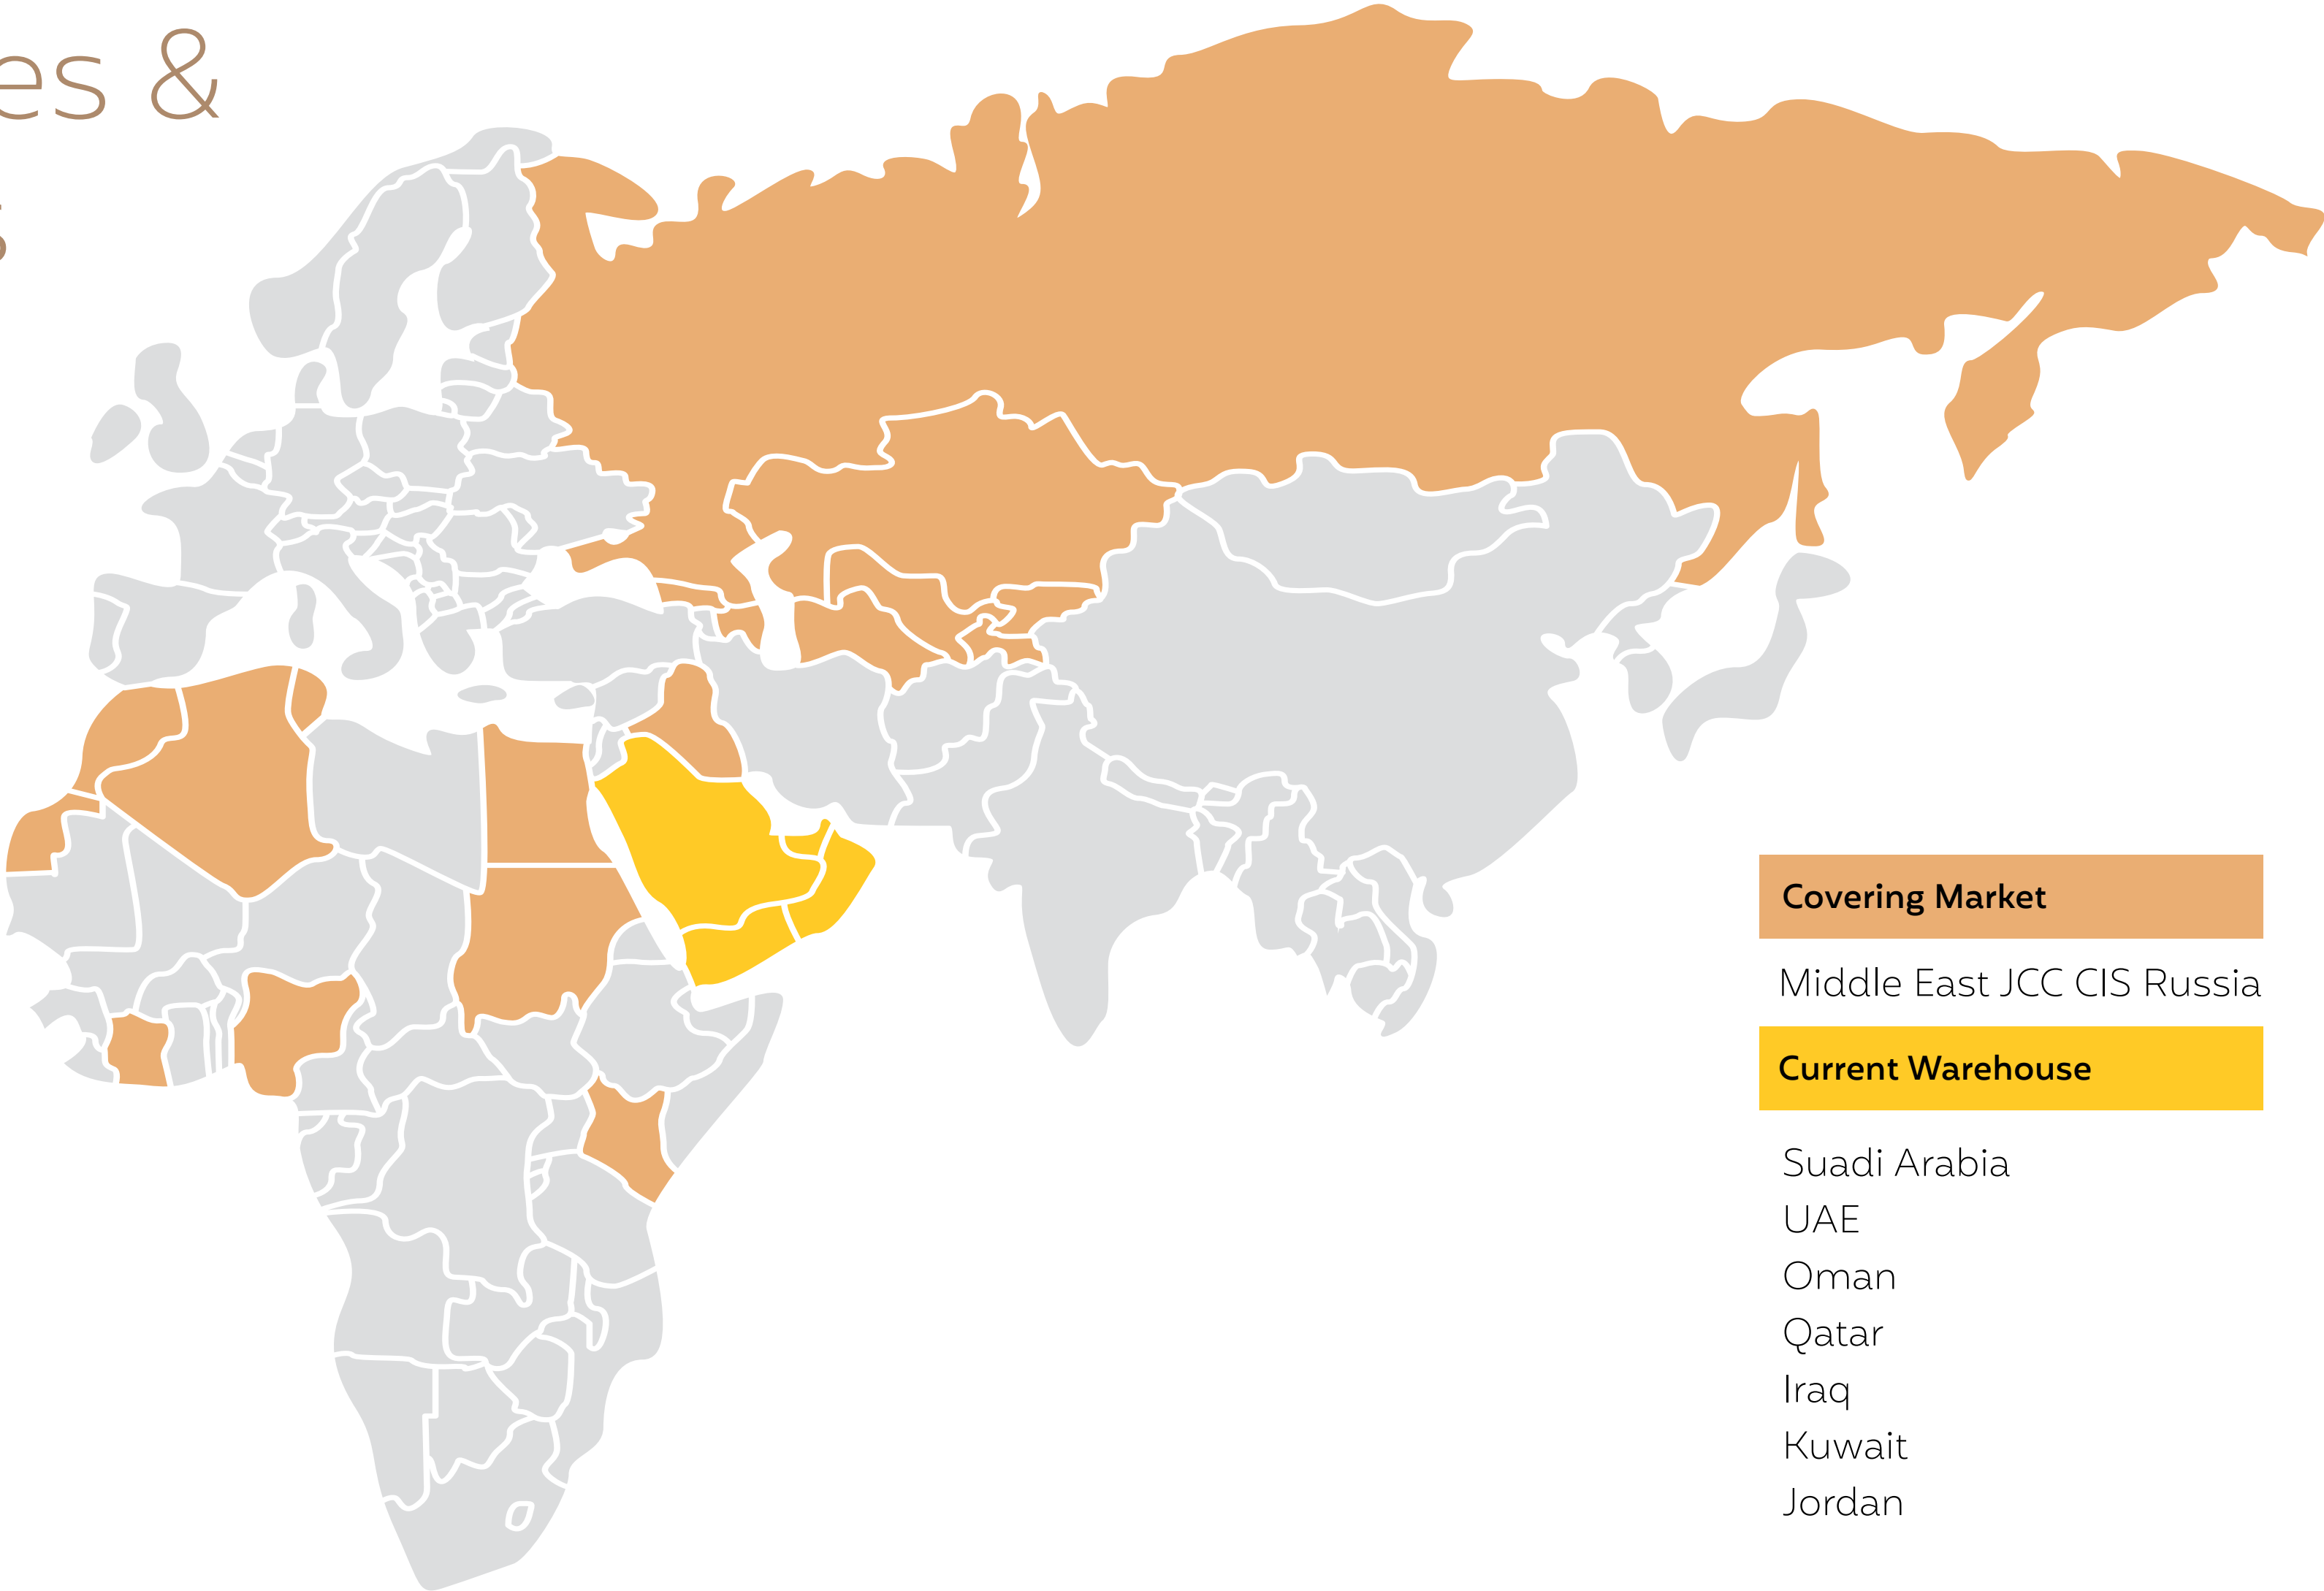

JARFOOD

JarFood is a key subsidiary of Rayan Group, specializing in premium food products, offering a diverse range of high-quality nuts (pistachios, walnuts, almonds, saffron), frozen fruits, fresh fruits and vegetables, fruit concentrates, dry food, and processed products. With a strong commitment to quality and sustainability, we ensure that our products meet global standards while catering to the growing demand of the MEA market.

Hazelnut

Hazelnuts are a globally cherished nut, known for their rich, creamy taste and high nutritional value. At JarFood, we offer premium-quality hazelnuts, carefully sourced to ensure exceptional flavor and freshness.

Walnut

Walnuts are a nutritional powerhouse, valued for their rich taste and health benefits. At JarFood, we provide premium-quality walnuts, carefully sourced to ensure freshness and superior flavor.

Cashew

Cashews are delicious, nutrient-packed nuts known for their rich, buttery flavor and smooth texture. High in healthy fats, protein, and essential vitamins, they make a great snack or ingredient for cooking and baking.

Almond

Almonds are a global favorite, known for their delicate taste and exceptional health benefits. At JarFood, we offer high-quality almonds, carefully sourced to ensure freshness and superior nutritional value.

IQF Frozen Fruits

IQF Frozen Fruits

Frozen fruits offer year-round freshness, preserving their natural taste, nutrients, and quality. At JarFood, we provide premium frozen fruits, carefully processed to retain maximum flavor and nutritional value.

IQF Frozen Fruits

A top-down view of a diverse collection of fresh produce. In the upper left, a lemon is sliced in half, revealing its juicy segments. Next to it is a whole cucumber and a slice of another cucumber. A large, dark purple eggplant sits in the upper center. To the right, a pumpkin is cut open, showing its bright orange interior and seeds. Below the pumpkin is a head of green broccoli. In the lower right, a cluster of red cherry tomatoes on their vine is prominent. Other items include a whole kiwi fruit, a slice of kiwi showing its green flesh and black seeds, a head of white onion, a slice of blood orange, a head of garlic, and a bunch of green beans. The entire scene is set against a dark, textured background, possibly a wooden surface or a dark cloth.
